7.2 Prize Selection

The selection of Winners shall be conducted strictly based on the total number of approved submissions received during the Campaign Period. The total approved submissions shall be divided by the total number of Prizes available to determine the allocation ratio for shortlisting purposes.

Following the shortlisting process, the Organiser shall conduct a randomized selection procedure (using any method deemed appropriate by the Organiser) to determine the final Winners. All decisions made by the Organiser in respect of the selection process shall be final, binding, and shall not be subject to appeal or correspondence.

For illustration purposes:

Where the total number of Approved Submissions amounts to 10,000, and the Total Prize Allocation is 169 units, the total number of Approved Submissions shall be divided by 169. This calculation yields 59.17, which shall be rounded down to the nearest whole number, resulting in a Multiplier Number of 59.

Confidential Information

Accordingly, the Winning Entries shall be identified by selecting every 59th Approved Submission (i.e., 59, 118, 177, 236, 295, and so on) until all 169 prizes have been duly allocated.

If such further attempts remain unsuccessful, the Organiser reserves the right to disqualify the Winner. The Organiser shall not be held liable in the event the Prize Winner cannot be contacted for any reasons whatsoever.
- 7.4 The Participant may be required to correctly answer a contest-related question before being declared a Winner. In the event the Participant fails to correctly answer the question, the Organiser reserves the right to disqualify the Participant, and a new Eligible Prize Winner will be selected accordingly.
- 7.5 The Organiser's decision in selecting the Prize Winners shall be final, and no further appeal or correspondence will be further entertained.
